Foster Care Payment Date Change Letter

Update to Foster Care Payments, effective April 24, 2023, Ventura County will be migrating to a new benefit issuance system, CalSAWS. For the most part, these changes will be seamless for you, but you may experience some delays as our staff adjusts to the new system. One change that you should be aware of is the change in payment date for Foster Care checks and direct deposit. Our current system generates checks at the end of the month, ready for mailing on the 1st or 10th of the following month depending on the program you receive. With the CalSAWS system, Foster Care payments will not be ready for mailing or electronic funds transfer until the 3rd business day of the month. This means if you typically receive your benefits on or around the 1st of the month, your benefits could be delayed 5-6 days depending on the business days.

Here is how the changes will impact you depending on the program you receive:

- For **Foster Care Early Release** payments, including Supervised Independent Living Placements (SILP) and Transitional Housing Program Plus

Benefit Month	Current Mail Date	New Mail Date
April 2023	April 28	May 3
May 2023	May 31	June 5
June 2023	June 30	July 6

- For **Foster Care Direct Deposit** payments

Benefit Month	Current Electronic Transfer	New Electronic Transfer
April 2023	April 28	May 3
May 2023	May 31	June 3
June 2023	June 30	July 6

- For **Regular Foster Care**, and Non Related Legal Guardian payments

Benefit Month	Current Mail Date	New Mail Date
April 2023	May 10	May 10
May 2023	June 9	June 9
June 2023	July 10	July 10

In some cases, direct deposit information may not connect in the first month of our transition. If this occurs, a paper check will be mailed to you. We will do our best to get your information updated before the next month’s benefits are issued.
